

## **BRIDGE Supports its Local Communities During a Time of Crisis**

During this unprecedented time, **BRIDGE** is helping our local communities as much as possible – as is our duty and our pleasure. Our company's nationwide COVID-19 relief efforts include:

- Donating a meal to each firefighter in Itasca and Wood Dale, Illinois
- A \$5,000 contribution to the Franklin Township Food Bank in Somerset County, New Jersey
- A \$2,500 contribution to the Community Food Bank of New Jersey
- A \$10,000 donation toward the purchase of gift cards from local restaurants for the First Responders in Warren County, New Jersey
- Donating 1,000 masks to City Hall, as well as meals from local restaurants to the Police Department, in Miami Gardens, Florida
- Donating meals from a local restaurant in Milton to the Police, Fire, Finance, and Building Departments, as well as the Mayor's Office, in both Auburn and Milton, Washington
- A \$10,000 contribution to the Auburn Food Bank in Auburn, Washington
- A \$10,000 contribution to the Sumner Food Bank in Sumner, Washington
- Donating \$215,000 to the City of Long Beach's 'In This Together' program which supports vulnerable communities during the pandemic in Long Beach, California
- A \$2,500 donation, with a commitment of up to \$10,000, to the City of Torrance and the Torrance Fire Department through the 'Torrance Cares 2-Go' program, to help administer COVID-19 testing to 100 local seniors in their own homes in Torrance, California

We are extremely grateful for the tireless efforts and resilient spirit of our company, tenants and partners - all of whom have selflessly continued to execute their jobs and roles with the utmost excellence, while volunteering their valuable time to help **BRIDGE** complete these much-needed community contributions. We look forward to seeing the achievements of each of our regional offices, and are more confident than ever in our ability to boost the vitality of our respective communities.
