

BRIDGE Office Visitor Policies

As we cautiously begin to reopen our offices, we ask that guests visiting any of our six offices across the U.S. take the following precautionary measures prior to entering:

- Masks are required to enter
- You are required to adhere to a temperature check
 - Those with temperature above 100 degrees or failing the questionnaire will not be allowed to enter
- You are required to take a screening questionnaire available at: <https://covid19symptomchecker.spectrumhealth.org>
- Stand 6ft from reception (see floor signage)
- Visitors to follow "people flow" requirements of the office
